All people have sin. Wages of sin is death. Jesus Christ is God, He has no sin, He died, He resurrected. You must have faith alone in Jesus Christ only to gain permanent life. Therefore, everyone will become believers in Jesus Christ and thus all people will go to Heaven.

"1 Cor 15:22 ...in the Christ all shall be made alive." (YLT).

## Welcome to Community Universalist Church!

Community Universalist Church is an inclusive on-line community that has come together to spread the gospel of Jesus Christ, provide instruction in the Christian Universalist faith, and provide a place for people from all over the world to worship together. We support one another in faith and love so that we may in turn faithfully serve God wherever we are called to do so.

Our core beliefs focus on the love of God and the full and final triumph of the grace of God over the powers of sin and death.

### Freedom to Discover

Humanity is on a journey. Collectively we are discoverers. Individually the same is often true. When God told Adam that he could eat from any tree in the Garden (except one), God was offering Adam the freedom of discovery.

Salvation for All: The Good News is for Everyone

**Salvation for All People**

**The Good News is For Everyone**

**Introduction**

Just reading the title above will make some people uncomfortable. Some may even discourage or prohibit reading this argument, assuming it to be heresy. They might argue that it is unbiblical and based on the wisdom of men in opposition to God. But are these accusations accurate?

In answer, I can say with confidence that the title of this work is not heretical. I know this to be the case because it comes from the Bible itself.

Unfortunately, we no longer have the time and resources to continue running this forum. Therefore, sadly we've now made the site read-only. The public categories have become a searchable archive. If you have questions about Evangelical Universalism, <https://www.mercyonall.org> has a form on their site where you can submit questions. Alternatively, if you want to discuss Evangelical Universalism, it's worth checking out <https://www.facebook.com/groups/invitaiontoeu/>

We are deleting some threads upon the request of the authors, but please keep in mind doing so also deletes other people's contributions not only yours.

Does anyone else remember a Universalist forum called even hitler? I remember going on it once or twice, but I can't find any information on it.
